I, the above PARTICIPANT(S), and if the Participant is younger than age 18, the PARENT or legal guardian of the above PARTICIPANT agrees as follows:

I acknowledge and understand that alpine ski racing and preparation for participation in racing, including training as well as coaching, and officiating (the "ACTIVITIES") are hazardous and dangerous activities that involve strenuous exercise and have risks, dangers and hazards and that various degrees of skill and experience are necessary for the different snow surfaces and venues. I understand that these Activities can result in serious bodily injury and damage to property and on my own behalf and on behalf of the participant; I knowingly and voluntarily assume any and all risks of loss, damage or injury while participating on the McIntyre Ski Team of the McIntyre Ski School Inc., dba. McIntyre Ski Area, Also known as MCI (the "Club"). Freedom from risk, injury and loss while participating in the Activities is not a reasonable expectation.

I am aware of the risks, hazards, and dangers of personal injury, death and disability in any activity or event involving ski racing. I am aware that the usual risk, hazards and dangers of personal injury, death and disability associated with skiing increase when undertaking ski racing and training even under the supervision of a trained coaching staff. I also understand that these risks, hazards and dangers will be further increased because other persons will be using the racing facilities at the same time and may have a greater or lesser degree of experience than I do/the participant(s) does, or no experience at all. In addition to the usual danger inherent in the Activities, there will be added or increased danger and risk of other skiers falling, jumping, landing, performing tricks, colliding with others skiers or staff, media personnel and/or spectators. I am also aware that there is an inherent risk in simply being at McIntyre Ski Area or any other ski area and/or observing, photographing or video recording the activities. On my own behalf and on behalf of the participant, I knowing and voluntarily assume any and all of the foregoing risks of loss, damage and injury.

I acknowledge my responsibilities as a "skier" or "passenger" under R.S.A. 225-A:24.

In consideration of admission to the Club, membership privileges and use of the Club's equipment and facilities, I, on my own behalf and or on behalf of the Participant, hereby agree to release and forever discharge McIntyre Ski School Inc. its members, servants, employees, officers, directors, trustees, and all other person or entities acting on their behalf (the "Covered Parties") from any and all claims, actions, damages, liability, costs or expenses and attorney's fees which are related to, arise out of or are in any way connected to my participation or the participant's participation in the

Activities, use of equipment or property supplied by or for the Club, or my presence or the Participant's presence at the Activities, whether or not such claims, actions, damages, liability, costs or expenses are caused by the negligence or omission of any of the Covered Parties. I understand that the Covered Parties are not responsible for any personal property that is lost, stolen or damaged. By signing this Agreement, it is my intention to, and I do hereby, on my own behalf and on behalf of the participant surrender and waive any rights to sue or exercise any legal right to seek damages from any of the Covered Parties from their failure to use reasonable care in any way.

The foregoing release is in addition to the limitations provided in R.S.A. 225-A:24 and R.S.A. 225-A:25.

I acknowledge that my presence or the participant's presence and any participation in activities at the Club are strictly voluntary in spite of the unavoidable risks and dangers of such presence and /or participation, and no one is forcing me or the participant's to be present or to participate in any activities. The undersigned hereby represent that no special relationship exists between me/the participant and any of the Covered Parties, and that the undersigned are not under any physical, economic or other compulsion to sign this agreement. I agree not to take unreasonable risks while participating in the Activities including, but not limited to, causing myself, other participants in the Activities, or spectator at the Activities or other person present at the Activities any unreasonable risk or harm. I additionally agree that it is suggested and in some instances required that I/the Participant use full protective gear when performing the Activities.

I agree to comply and that the Participant will comply with all of the stated and customary terms and conditions for participation in the Activities. If the undersigned observes any unusual significant hazard during his or her presence or participation in the Activities, the undersigned will remove himself or herself from participation and bring such hazard to the attention of the nearest employee, official or representative of the Club immediately.

In further consideration of admission to the Club, I agree on my own behalf and on behalf of the participant, to indemnify, hold harmless and defend the Club and any other Covered Party from any and all Claims, Actions, Damages, liability, costs or expenses and attorney's fees of any spectator, other participant's or third party in connection with or arising out of my presence and/or involvement or participation of any activity at the Club. I give consent and permission to the Club or coach of the Club to obtain on behalf of myself or my minor child any emergency medical attention and treatment at my sole expense. I recognize that it may be required to transport my minor child to the nearest medical treatment facility based upon their age even though their condition may not warrant it. By signing this document, the undersigned fully recognize that if the Participant or another participant is hurt or property is damaged while the Participant is engaged in the Activities, then the undersigned will have no right to make a claim or file a lawsuit against the Covered Parties, even if they or any of them negligently caused the bodily injury or property damage.

THE INTENT OF THE PARTIES IS THAT THIS AGREEMENT WILL ALLOW THE COVERED PARTIES TO AVOID LIABILITY FOR ANY FAILURE ON THEIR PART TO USE REASONABLE CARE IN ANY WAY.
